PROFESSIONAL SUMMARY

Results-oriented **Manager - Data Science & Analytics** with over 7 years of experience in **Strategic Analytics**, **Product Optimization**, and **Data Science**. Expert in driving growth across **Category**, **Markets**, and **Operations** by leveraging **Machine Learning**, **SQL**, and **Python**. Proven track record of designing **Experimentation Frameworks (A/B Testing)**, optimizing **Shipping & Logistics** workflows, and modeling **Customer Behavior** to enhance user experience. Experienced in influencing **senior stakeholders** and translating complex data into actionable business strategies at top-tier organizations like **PayPal**, **Uber**, and **OLX**.

WORK EXPERIENCE

Senior Product / Lead Analyst | PayPal

Bangalore | April 2023 – Present - **Strategic Analytics & Leadership**: Led data strategy for key operational pillars, partnering with **senior stakeholders** to define success metrics and optimize **product performance**, directly influencing the strategic roadmap. - **Customer Behavior Modeling**: Developed advanced analytical frameworks using **Python and SQL** to decode user behavior, identifying key drivers of retention and churn for **100+ global markets**. - **Data Science & Automation**: Spearheaded the development of **predictive insights** and automated **ETL pipelines**, streamlining data availability for cross-functional teams and reducing manual reporting by **40%+**. - **Experimentation & Growth**: Designed and evaluated **A/B tests** to validate hypothesis-driven product changes, ensuring data-backed decisions that improved user engagement and operational efficiency. - **Mentorship**: Mentored a team of analysts on **best practices in data science**, **statistical modeling**, and **dashboard design**, fostering a culture of rigorous analysis and innovation.

Product Analyst | OLX Autos

Gurgaon | July 2022 – March 2023 - **Market & Category Optimization**: Analyzed market trends and category performance to identify high-potential growth areas, designing strategies that increased **lead conversion** and optimized **inventory management**. - **A/B Testing & Uplift**: Led end-to-end **A/B testing** initiatives and **uplift modeling** to refine the "Sell-It-Yourself" user journey, resulting in a **10% increase** in qualified leads. - **Operational Efficiency**: Utilized **SQL and Python** to streamline data processes, enabling real-time tracking of funnel metrics and empowering business teams to make agile decisions.

Business Analyst | Uber

Hyderabad | August 2021 – July 2022 - **Operations & Logistics Analytics**: Optimized **shipping and logistics** related workflows for **Uber for Business (U4B)** by automating **35+ operational reports**, saving **5+ hours of manual effort weekly**. - **Performance Dashboards**: Built dynamic **Tableau/SQL dashboards** to monitor operational KPIs and **supply chain metrics**, providing visibility into bottlenecks and driving process improvements. - **Financial Impact**: Conducted in-depth financial modeling and **root cause analysis** to evaluate operational costs, recommending strategies that resulted in significant cost savings and efficiency gains.

Analyst I Aditya Birla Group

Bangalore | July 2018 – July 2021 - **Supply Chain Optimization:** Performed rigorous analysis on **manufacturing and logistics data** to identify inefficiencies, directly contributing to improved yield and reduced downtime in a high-volume environment. - **Demand Forecasting:** Collaborated with cross-functional teams to improve **forecast accuracy**, utilizing statistical methods to optimize inventory levels and meet market demand.

EDUCATION

B.Tech in Chemical Engineering *BITS Pilani | 2014 – 2018*

SKILLS

- **Languages & Scripting:** SQL (Expert), Python (Pandas, NumPy, Scikit-learn), R, Excel (Advanced/VBA)
- **Data Science & Analytics:** Machine Learning, A/B Testing, Experimentation, Uplift Modeling, Customer Behavior Analysis
- **Visualization:** Tableau, Power BI, Looker Studio
- **Core Competencies:** Stakeholder Management, Strategic Planning, Category Management, Shipping & Operations Analytics
